Great Lakes Division Championship Double Regional Qualifier
Featuring a One Hour Race

MID-OHIO SPORTS CAR COURSE ■ LEXINGTON, OHIO ■ Sept. 5 & 6, 2020

Supplemental Regulations

Sanction Number 20-R-8349

Because of how fluid COVID-19 is, it is creating situations that are subject to change with little or no notice. Please read the SUPPLEMENTAL REGULATIONS very carefully. Changes and/or Possible Changes that have been caused by COVID-19 are written in RED.

ALL RULES AND REGULATIONS THAT ARE COVID-19 RELATED ARE NOT PROTESTABLE.

Notice to Participants: Considering the current COVID-19 situation, every attempt will be made to minimize the risks of exposure to the virus. New regulations, processes and procedures are being developed and released which will be put into place for the event going forward.

Ultimately, it is your responsibility to assess the risk to you, whether it be on-track or off, and to make the decision on whether or not to participate. If you are sick or experiencing symptoms such as fever, cough, or shortness of breath, please stay home.

While onsite PLEASE take the HEALTH and SAFETY of your FELLOW PARTICIPANTS, VOLUNTEERS and STAFF into consideration and practice SOCIAL DISTANCING, WEAR MASKS AS REQUIRED and WASH HANDS and/or use HAND SANITIZER FREQUENTLY.

The following rules have been received from Mid-Ohio Management and are required for your weekend participation.

All participants must enter/exit via Gate #3. This is the normal gate you use to enter.

Upon entry to Mid-Ohio Sports Car Course everyone must have a medical health assessment form filled out and signed (assessment form is posted on MSR). We ask that you fill the form out prior to your arrival. Mid-Ohio may not have copies at the gate. There will be a very limited supply at registration. You are strongly encouraged to down load the copy posted in MSR. The completed form shall be given to the security guard at Gate #3. You will only need to complete the form the first time you enter the facility for the event. This a revised assessment form from July.

There have been questions to this question "Have you recently been in close contact (within 6 feet) with anyone experiencing symptoms or who has tested positive for COVID – 19?" A yes answer to this question will not in its self, cause you not to be allowed on the property. A yes answer to this question **will** require further medical history being taken by a medical professional.

Temperatures will be taken upon entering the facility. Temperatures will be taken each time for entry into the facility. If you leave and return you will have your temperature taken again. Anyone showing signs/symptoms or has a fever will not be able to enter the facility under any circumstance

If you record a temperature above 100.4, you will be pulled off to the side and 2nd check will be done in approximately 5 minutes. If the 2nd check is above 100.4, **you & anyone in your vehicle** will be asked to leave the property.

All participants must wear a mask under the following conditions:

- A. In a building or structure (this includes garages and restrooms). You do not have to wear a mask while showering.
- B. In any hot area where social distancing is not possible.

Social distancing practices MUST be maintained. Currently Ohio defines social distancing as a distance of not less than 6 feet and no groups greater than 10 people.

Minimize direct, physical contact between event attendees as much as possible, social distancing.

Mid-Ohio has added hand sanitizer locations throughout the facility. Event participants are encouraged to use them as often as possible.

Currently spectators are not permitted for the event. We ask that only those participating in the event attend and that all non-essential family & friends remain at home.

No gatherings, cookouts, parties etc. may take place during your visit to Mid-Ohio. We ask that you follow state guidelines on social distancing.

Equipment with high-contact rates (radios, headsets, clipboards, pens etc.) should be sanitized before and between uses when they are shared.

If you become or start feeling ill while at the track, Mid-Ohio asks that you immediately return to your vehicle, leave the facility and contact Adam Fisher (419-631-7504 via phone to notify him.

The Sanctioning bodies would like to remind you that failure to follow these rules may lead to you being asked to leave the track. We do not want to see this happen.

This event is governed by the 2020 SCCA General Competition Rules (GCR), Category Specifications, as amended for 2020 per “FasTrack” effective September 1, 2020 release & these Supplemental Regulations.

This event is a Great Lakes Division Regional Championship Series Double event. Series rules and series classes’ rules are available on the GLDiv Web site at www.greatlakes-scca.org.

A refund will be made if the entry is withdrawn prior to 11:59 PM, Friday, August 28, 2020. Phoned cancellations must be followed up **in writing** to receive a refund.

Please make every effort to enter this event as early as possible. Each race group will be limited to 65 cars after that number is reached, entrants will be placed on a waiting list for their respective group. The GLDiv racing regions have adopted a uniform policy on cancellation and late fees. These fees (along with other policy changes) are meant to prompt the entrant to register earlier.

Due to the need to social distance and abide by Covid-19 guidelines, Registration will be by appointment only. Each driver and crew will need to sign up for a registration appointment set up through SIGN-UP GENIUS. You can sign up for a registration appointment when you register for race or you can sign up for a registration appointment when you arrive at the track. You MUST come to registration at your appointment time. If you miss your appointment time, you will need to sign up for another appointment time. NO WALK-UPS ALLOWED. Once online registration closes at 11:59 PM on Friday, August 28, 2020, there will be a cancellation fee of \$50. This is necessary because it requires extra effort on our Registrar and Treasurer's part to process the cancellation so close to the event.

Late Fee Policy: There will be a late entry fee of \$75 assessed if an entry is received after the close of online registration at 11:59 PM on August 28, 2020. This is necessary because it requires extra effort on our Registrar's part to hand process the entry after online registration is closed.

Refunds: No refunds will be granted for cars that have been on track for the requested sanction number, no shows, or because of weather. If you sign in at registration and do not go thru or pass Tech, you must notify the Chief of Registration BEFORE YOU LEAVE THE TRACK in order to receive your refund.

ENTRY FEE PAYMENT: Drivers who complete their registration online via the motorsportreg.com website may pay by credit card or by check (mailed to the Registrar). An entry is not considered official unless accompanied by full payment of the entry fee. Drivers registering at the track or by mail may pay by check, cash, or credit card.

GARAGE RENTAL: Garages not paid for will be held one week awaiting payment and then will be released to other renters.

PASSES: Each car will receive four (4) passes, including the driver and three (3) crew. Additional passes cannot be purchased. Currently spectators are not permitted for the event. We ask that only those participating in the event attend and that all non-essential family & friends remain at home. Workers and crew must sign for their own passes and must arrive while registration is open. Only the entrant, driver or designee (authorized in writing) may change the crew list.

DRIVER ELIGIBILITY: Drivers must be a current member of the SCCA and have a current SCCA Full Competition, SCCA Pro License, SCCA Novice Permit or other license referenced by GCR 3.1.2.B & C. and Appendix C.2.8.B to participate in this event. If you do not have the proper credentials, it is your responsibility to contact the Registrar prior to the event. **Competitors whose licenses are pending must call the Registrar by September 2, 2020, so that the license can be confirmed. There will be a \$10 charge for this service. Any 2020 membership and licenses issues will not be able to be verified with the SCCA National Office after 5:00 PM CDT on Friday night. After that time the National Office will be closed until Monday morning. If your membership and/or license cannot be verified, you will be required to complete and sign a Statement of Fact Affidavit, along with paying a \$100 deposit of which \$75 is refundable upon verification.**

Minor drivers (14, 15, 16 and 17 year old drivers), as long as a current minor waiver is on file with the SCCA National Office and the driver's membership card shows "Minor Waiver on File", Mid-Ohio does not require any further paperwork. If the above requirement is not met, the driver is required to contact Tammi Griffith (Mid-Ohio) at tgriffith@midohio.com or 419-884-4000 for copies of Mid Ohio's Minor Waiver. The Mid-Ohio waiver must be obtained well in advance & requires a Notary Public's signature. The completed Mid-Ohio waiver and information must be returned to Mid-Ohio 2 weeks prior to the event per the Mid-Ohio policy.

CAR ELIGIBILITY: Competition is open to all cars conforming to the GCR, as amended, and those supplemental classes listed in the 2020 Great Lakes Division Regional Champ Series Rules. All cars are required to use a fully **operational AMB TranX260 transponder**. The location of the test loop is the tech inspection area and it will be staffed the same hours as the scales. Cars without working transponders may not receive times. **The driver is responsible for providing correct information to Timing & Scoring.**

COMPETITION NUMBERS: Correct number must be on car prior to tech. Cars with incorrect numbers will be black flagged. We are **NOT** using reserved numbers. Confirmation postcard or e-mail will be sent only if a driver's first choice of number is unavailable.

WELCOMING ENVIRONMENT: The Ohio Valley Region and SCCA aim to provide an inclusive, welcoming environment for all participants. To that end, behaviors such as the following will be considered egregious examples of GCR 2.1.7, "Acting in an unsportsmanlike manner", and will be penalized as such.

- Discriminating against, disparaging or verbally abusing a participant because of their gender identity, ethnicity, marital status, sexual orientation, religion, age or disability.
- Harassing, intimidating, threatening or bullying a participant.
- Doing any of the above outside the confines of an event in print or electronic media, in a way that affects that person's participation at an event.

TECH: All drivers without a current year helmet sticker (green) must present all driver gear as required by the GCR, vehicle logbook, and completed tech card to get their event tech sticker. If your car requires an annual tech, you must also bring the car to Tech. Tech is located at the rear (South side) of the Maintenance Building.

EXPRESS TECH (Friday evening only): Drivers with both a current annual tech and a current year helmet sticker (green) may bring just the vehicle logbook and completed tech card to get a tech sticker. Express Tech is a special window at Registration or you can go to Tech at the Maintenance Building.

SCALES: Available at Tech: Saturday 7:30 AM-11:30 AM, Sunday 7:30AM-9:00AM. Scales may be made available at other times at the discretion of the Chief of Tech.

IMPOUND: **Driver's shall listen for announcements concerning impound. If Impound occurs, it will be limited to driver and 2 crew members. Wearing of masks and social distancing rules must always be followed in the tech area.**

GRID: Starting positions for the Saturday Champ Race will be determined by the **fastest time** recorded for each car during the Saturday morning qualifying session. Starting positions for the Sunday qualifying race will be determined by the **finishing position** in the Saturday Champ Race. Starting positions for the Sunday Champ Race will be determined by the **finishing position** in the Sunday qualifying race. Cars arriving late to grid, after their group has been dispatched on track, may at the discretion of the Operating Steward, be held at pit out and released at the end of the pack after the field has completed the pace lap.

NOTE: Any protests not settled from the previous races or qualifying will have the protestee gridded at the rear of the field.

START, FINISH and TIMES: **All Race Starts, Restarts and Checkered Flags will be from the front straight start stand.** All races and qualifying timing will begin and end at the timing loop in front of Timing & Scoring. The loop is marked by orange cones on each side of the track and is 115 feet before the Mid-Ohio checker pattern on the track. For qualifying (Saturday Morning), the session clock will start when the first car crosses the pit lane timing line. **For all races, timing will start when the front row crosses the front straight timing line after the pace lap.** The clock will continue to run during all flag conditions with

the exception of a red flag. On the Pace lap, the Pace car will pace the field to the Pit Lane entrance then exit the track surface at the Pit Lane entrance. Be prepared for this to happen. Front row will then pace the field until the green flag is given.

RACING SURFACE: The Pit Out Lane (drivers left of the curbing and/or colored line) is not part of the racing surface. Any driver who uses it as a racing surface by putting two or more wheels to the left of the curbing/line, whether in qualifying or the race, may be subject to a penalty from the Chief Steward. A driver who forces an overtaking car or a car being overtaken into the Pit Out Lane while a pass is being attempted may also be subject to a penalty for violation of GCR 6.11.1.B, failure to provide racing room on the marked racing surface.

ON COURSE DRIVER CONDUCT and CONTACT: Refer to GCR Section 6.11.1 E. All on track body contact (including contact during drafting) that causes a car to act erratically and results in a change in position or a car leaving the course will be investigated. **If you are involved in contact, you are to report to black flag station (base of the tower) which is the designated incident investigation site at the conclusion of your session/race.**

PASSING UNDER YELLOW FLAG: All drivers shall follow GCR Section 6.1.1.B. All passes under yellow will be investigated. A verified violation of this section will result in penalties as outlined in the 2020 Standard Penalty Guidelines.

SPLIT STARTS: The Chief Steward will consider requests for split starts. See him at the track

These classes have specific rules published in the Great Lakes Regional Champ Series Rules: SP, SPU, ITE CFC, CFF, IT7 and S2000.

Participants **must** comply with the sound limit specified in the GCR (**103 dB**). Cars exceeding 103 dB in a session will be shown the closed black flag and the sound board for their first two readings. If a third reading greater than 103 dB is recorded in that session, the car will be black flagged, and the driver must report to the pits. The car may not return to the track until corrective steps have been taken per the GCR. Sound reading will be posted at the base of the tower.
