

THE GREAT LAKES RACE of CHAMPIONS SCCA MAJORS EVENT

MID-OHIO SPORTS CAR COURSE ■ LEXINGTON, OHIO ■ May 22 & 23, 2021

Supplemental Regulations Sanction Number 21-M-20508

Because of how fluid COVID-19 is, it is creating situations that are subject to change with little or no notice. Please read the SUPPLEMENTAL REGULATIONS very carefully. Changes and/or Possible Changes that have been caused by COVID-19 are written in RED.

ALL RULES AND REGULATIONS THAT ARE COVID-19 RELATED ARE NOT PROTESTABLE.

Notice to Participants: Considering the current COVID-19 situation, every attempt will be made to minimize the risks of exposure to the virus. New regulations, processes and procedures are being developed and released which will be put into place for the event going forward.

Ultimately, it is your responsibility to assess the risk to you, whether it be on-track or off, and to make the decision on whether or not to participate. If you are sick or experiencing symptoms such as fever, cough, or shortness of breath, please stay home.

While onsite PLEASE take the HEALTH and SAFETY of your FELLOW PARTICIPANTS, VOLUNTEERS and STAFF into consideration and practice SOCIAL DISTANCING, WEAR MASKS AS REQUIRED and WASH HANDS and/or use HAND SANITIZER FREQUENTLY.

The following rules have been received from Mid-Ohio Management and are required for your weekend participation.

All participants must enter/exit via Gate #3. This is the normal gate you use to enter.

Upon entry to Mid-Ohio Sports Car Course everyone must have a medical health assessment form filled out and signed (assessment form is posted on MSR). We ask that you fill the form out prior to your arrival. Mid-Ohio may not have copies at the gate. There will be a very limited supply at registration. You are strongly encouraged to download the copy posted in MSR. The completed form shall be given to the security guard at Gate #3. You will only need to complete the form the first time you enter the facility for the event. This is a revised assessment form from July.

There have been questions to this question "Have you recently been in close contact (within 6 feet) with anyone experiencing symptoms or who has tested positive for COVID – 19?" A yes answer to this question will not in itself, cause you not to be allowed on the property. A yes answer to this question will require further medical history being taken by a medical professional.

Temperatures will be taken upon entering the facility. Temperatures will be taken each time for entry into the facility. If you leave and return you will have your temperature taken again. Anyone showing signs/symptoms or has a fever will not be able to enter the facility under any circumstance.

If you record a temperature above 100.4, you will be pulled off to the side and 2nd check will be done in approximately 5 minutes. If the 2nd check is above 100.4, you & anyone in your vehicle will be asked to leave the property.

All participants must wear a mask under the following conditions:

- A. In a building or structure (this includes garages and restrooms). You do not have to wear a mask while showering.
- B. In any hot area where social distancing is not possible.

Social distancing practices MUST be maintained. Currently Ohio defines social distancing as a distance of not less than 6 feet and no groups greater than 10 people.

Minimize direct, physical contact between event attendees as much as possible, social distancing.

Mid-Ohio has added hand sanitizer locations throughout the facility. Event participants are encouraged to use them as often as possible.

Currently spectators are not permitted for the event. We ask that only those participating in the event attend and that all non-essential family & friends remain at home.

No gatherings, cookouts, parties etc. may take place during your visit to Mid-Ohio. We ask that you follow state guidelines on social distancing.

Equipment with high-contact rates (radios, headsets, clipboards, pens etc.) should be sanitized before and between uses when they are shared.

If you become or start feeling ill while at the track, Mid-Ohio asks that you immediately return to your vehicle, leave the facility and contact Adam Fisher (419-631-7504 via phone to notify him.

The Sanctioning bodies would like to remind you that failure to follow these rules may lead to you being asked to leave the track. We do not want to see this happen.

This event is governed by the 2021 SCCA General Competition Rules (GCR), Category Specifications, as amended for 2021 per “FasTrack” effective May 1, 2021 release & these Supplemental Regulations.
