You can find a facility map provided by Mid-Ohio Sports Car Course Here: <https://midohio.com/info/facilitymap>

RULES OF THE TRACK: For many of our drivers this may be their first time on a racetrack. Please be considerate to those around you. Besides the SCCA Time Trials rules, other special conditions below apply to this event:

LIMITED PASSING ZONES:

Novice Group - The Novice group may pass in the marked passing zones ONLY, with a point-by.

Intermediate Group - The Intermediate group may pass anywhere on the track with a point-by.

Advanced Group - The Advanced group allows open passing on the straights and in the corners with a point-by.

Racer Group - The Racer group allows open passing anywhere on track without a point-by.

THREE-STRIKE RULE:

This event is run with a "three strikes and you're out" rule. A strike is defined as the following:

- A. Dropping 2 or more wheels off track.
- B. A spin either on or off track.
- C. Contact with any type of safety barrier.
- D. Ignoring the flags or the instructions of the corner workers or other officials.
- E. Passing zone violation.
- F. Any actions deemed by the Event Lead or TT Safety Steward to be unsafe or unsportsmanlike.
- G. No refund will be issued for any remaining track time for participants that receive reprimands under these rulings.

The three-strike rule is only a guideline. Actions deemed worse to event officials, including but not limited to the event chair, TT safety steward, competition director, and/or driver coaches, may receive stricter penalties at their discretion.

FLAGS AND THEIR MEANINGS:

Yellow, standing - something has happened ahead of you, but is off the track surface. Absolutely no passing. A yellow flag may be displayed at all stations for the first laps of a session to allow all cars (and drivers) to warm up.

Yellow, waving - something has happened ahead of you and is blocking at least some of the track surface. Slow down and be prepared to take evasive action or stop. Absolutely no passing.

Red & yellow, striped - there is debris on the track ahead, possibly oil, coolant, dirt, an errant animal and/or parts of a fellow driver's car. Be prepared to respond accordingly.

Red - stop quickly, but safely, pull to the side of the track within sight of a corner station to allow maximum room for emergency vehicles, stay in your car and await instructions from a corner worker. We REALLY don't want to show this flag!

Blue/ yellow stripe - a faster car is following. Allow it to pass at the next passing zone. Acknowledge the blue flag with a small wave to both the worker and the following car. This courtesy prevents tailgating, mirror driving, and promotes safety.

Black - enter the pits at the next opportunity to consult with an event official.

Black with red/orange center ("meatball") - there is something wrong with your car. Please get off of the racing line and proceed carefully to the pits to find out what.

White - slow moving vehicle or safety vehicle on track.

Checkered - will only be shown on driver's left at Start/Finish line. The session is over. Proceed on a cool-off lap by slowing down and using the brakes as little as is safe. Allow your car and yourself to cool down and relax. Proceed to pit lane and attempt to wipe that silly grin off your face.

INSURANCE: Insurance will be provided for at least the minimum amount required by the SCCA for each participant.

THE COURSE USED WILL BE USED: Pro Course (No Chicane), 2.2-mile road course.

DRONES AT THE RACE TRACK: Commercial Unmanned Aircraft Systems (aka "Drone") owners/operators must have proof of FAA certification and \$10M of primary liability insurance naming the SCCA, the Sponsoring Region(s) (OVR) and the Race Track (Mid-Ohio) as additional insured. **Prior approval from Mid-Ohio is required, contact Mid-Ohio management directly.** A general liability insurance policy must specify that it includes the operation of Unmanned Aircraft. Recreational use of unmanned aircraft is prohibited.

PETS: While Mid-Ohio Sports Car Course does not encourage bringing pets to the track, they do allow them. Pets are the responsibility of the pet owner. Pet owners are liable for any injury or damage caused by their pets. All pets must be kept under the control of a leash no longer than 6 ft. Please be courteous and clean up after your pet. Failure to do so will result in removal from the event. Pets are not permitted in any buildings, concession areas, grandstands or viewing mounds, hospitality locations, paddock/garage areas, false grid, or pit lane. Mid-Ohio Sports Car Course reserves the right to restrict/remove disruptive or exotic pets. If your pet disrupts or causes harm to another individual or property, you and your pet may be removed from the facility without refund.

SPECIAL: Paddock speed limit is 10 mph. Participants when going to grid, tech and returning to your paddock must use caution. Caution must be used at all intersections. There are others using the same roadways. Anyone operating any motorized vehicle on track property must have a valid driver's license (any state) and present it to any official upon request. Hover boards, skates, Razors, scooters, and skateboards (with or w/o motor) are banned. Unlicensed motor scooters, motorcycles, ATVs, etc., cannot leave the paddock except to go to the grid or showers. Golf cart drivers must have a valid driver's license.

Fuel Spillage: on any paved area of the facility is forbidden and may result in a black flag and liability for repairs if instructions from any officials are not obeyed promptly.

Jack Stand Bases: must be supported to prevent pavement indentation.

The infield will be open for spectating. No trash is permitted; everything you carry in must be carried out. **The grandstands will be closed.**

Please use the provided receptacles for trash, oil, and other fluids. Do not leave any tires at the track, except with tire vendors.
